### DESCRIPTION

The Steelhead™ mop is exclusive with Premier. With the unique Steelhead design, a simple twist of one wingnut allows the mophead to drop free of the handle, thus eliminating the need of the user to handle a soiled mophead.

- A specialty product made with a metal head rather than a cloth band
- Available in the same yarns as the cut end mops
- Requires a special SteelHead™ handle

### MOP OPTIONS

(07) Fan Type
